hogeschool

**DE TOEKOMST
IS BEGONNEN.**

AVANS EXPERTISECENTRUM
DUURZAME INNOVATIE

Groeien begint met kennis.

ECOWEEK
... habits change ... climate change

Mega Furniture

Jeremy, Glodi, Evelien, Lieke, Sanne,
Tim, Maarten, Jonas en Job

Nina, Wouter and Seline

Workshop introduction

- Materials
- Location
- Our goal

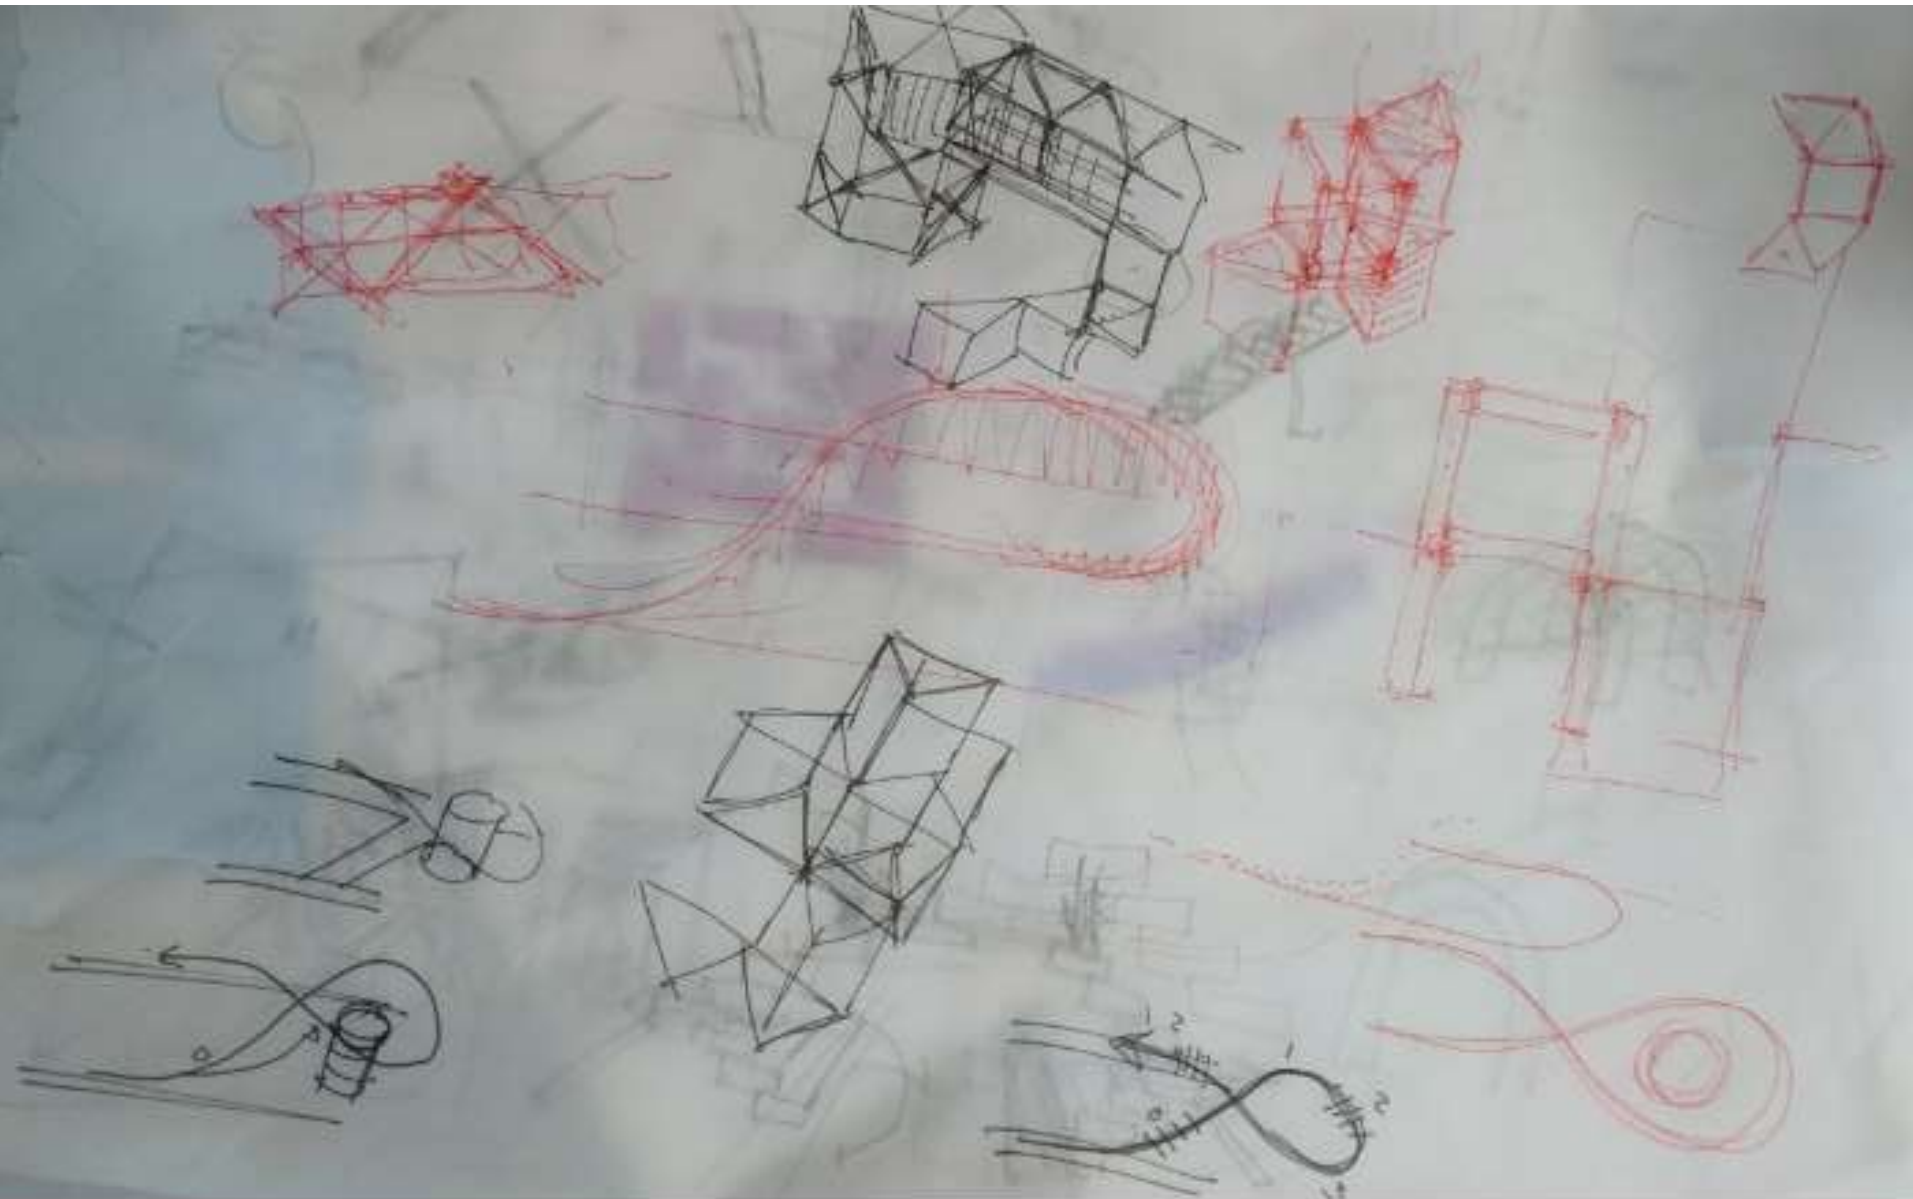

Testing

- Not enough pallets for stacking
- Couldn't make prisma...
- Not strong enough

Combine the ideas

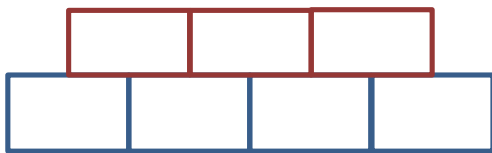

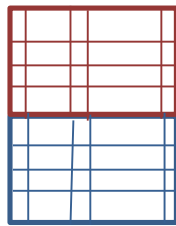

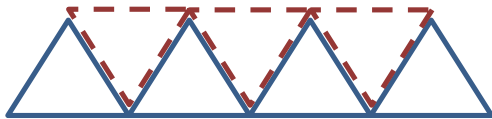

Learning by building

- From standard elements to a new building system
- Triangle

Building system

- Only using triangles
- Stacking or binding
- Running bond
- No screws, nails or glue
- Detachable

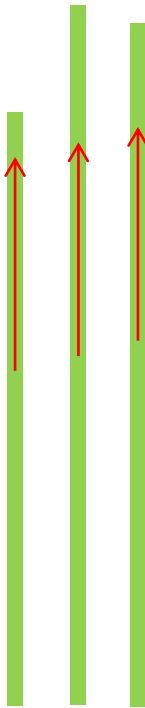

Location

structure

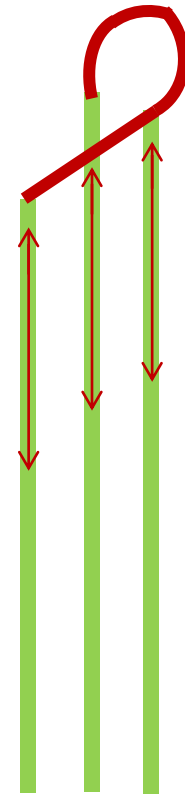

- Re-use
- Material
- Function of the railways

It ends

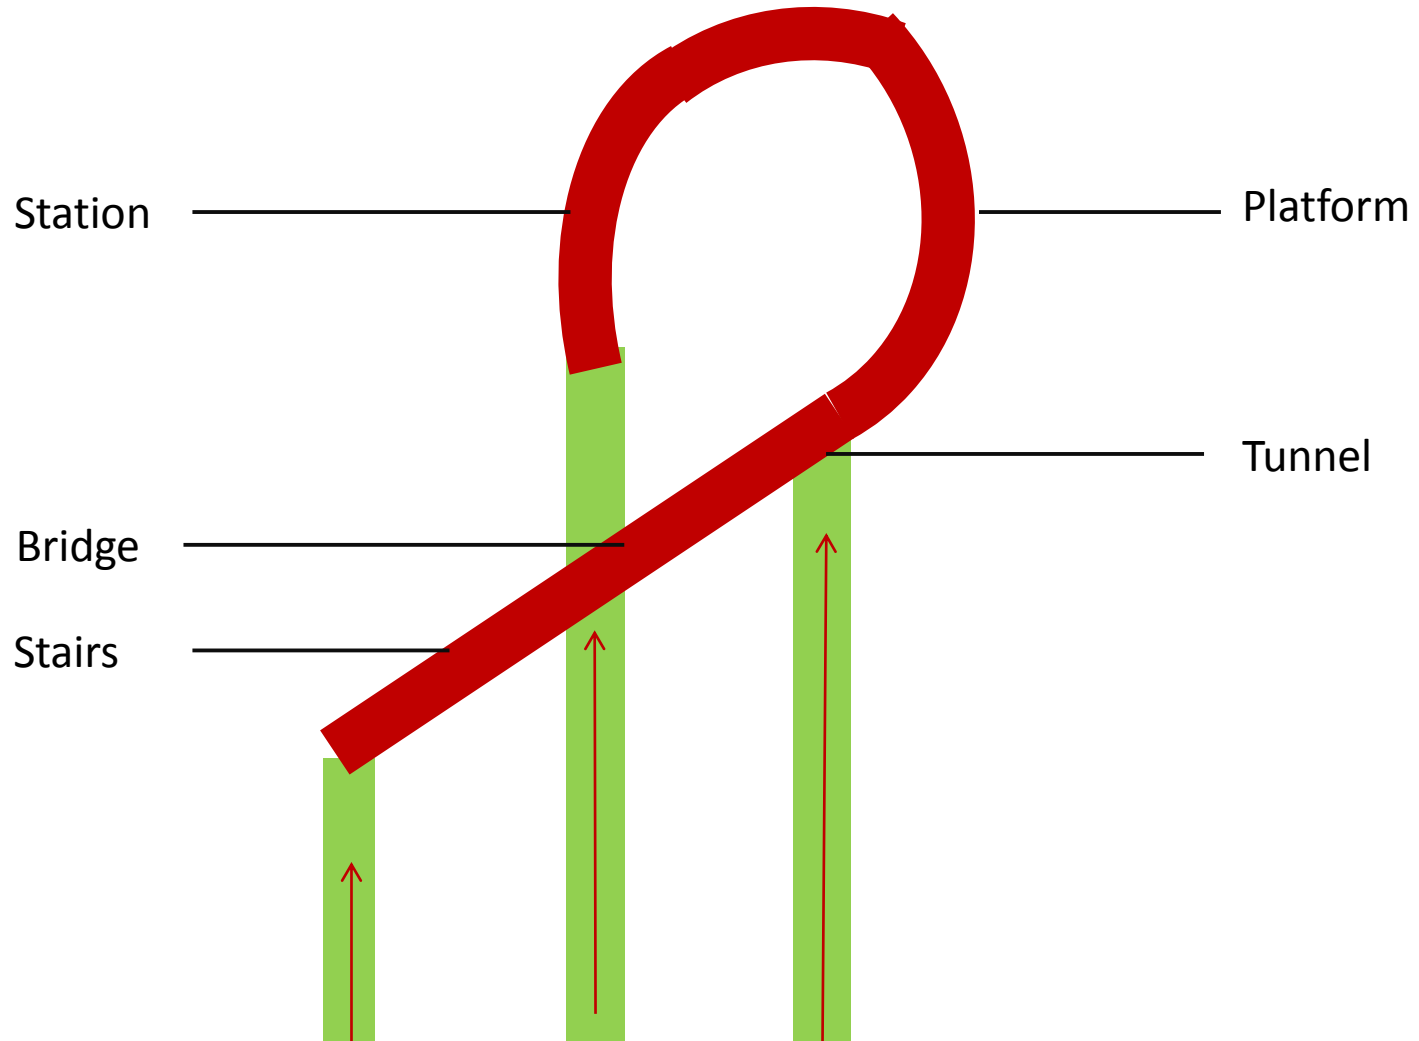

Currente state

It's continuous

New plan

Building components

Proces

In the end

Thank you
