ECOWEEK GREENHOUSE

The GREENHOUSE is the platform for innovation, social and environmental entrepreneurship for young professionals, created by ECOWEEK in 2011. The GREENHOUSE is involved in REAL PROJECTS, in real sites, for real clients, from sketch to implementation - including finding materials, reuse of materials, budget, logistics and coordination. Why join? To gain practical experience; to network with the international ECOWEEK and GREENHOUSE communities; to meet professionals and potential future
