ZEZEZE  
Competition

ECOWEEK 2013 in the Middle East will include, for the first time, an exhibition on 'green' projects, technologies and materials, at the ZEZEZE Architectural Gallery at Tel Aviv Port. The design of this exhibition, the first of its kind, will be the theme of an international competition that will open later this month. The jury will include MVRDV and Ingenhoven Architects. More details will be announced shortly.
