MASTERPLAN SUMMER

Located 230 km from Thessaloniki, Vasilitsa Four Seasons Resort will become a local and national landmark! Deep into the mountain range of Hellas, this magnificent historical façade will continue to impress guests. From the old villages to the modern amenities and array of activities, this is the ultimate get-a-way!

Goals & Design

Basic goal of the upgrade of the whole area into is now to develop more activities and attract visitors during the whole year. Due to this need, it's important for the resort to be easy accessible, friendly and affordable. Not surprisingly, the new resort will offer a wide variety of ski, snowboarding, bicycle, climbing and hiking experiences to suit any taste all based on Skiing, Tradition & Athletics.

Additional, 9 more aerial lifts will be installed (3 of them Gondola type), 11 new ski slopes of different levels and an artificial snow facility that can provide snow to most of the skiing area. Festivals, music concerts and traditional Food Taste Street exhibitions will be organized in Samarina village to attract more visitors. Furthermore, in Filippaioi village athletic summer camps will be established and with the upgrade of the existing athletic facilities, professional athletic team's training can take place.

Vasilitsa, will now be known for the modern, high-end resort facilities, the consistently good weather and the authentic and exciting experience. The down-home charm and years of tradition and history will help to offer a full-service resort experience.
