ECOWEEK 2012

... habits change ... climate change

ECOWEEK 2012 international conference and 'green' design workshops take place again in Israel and the West Bank (Palestinian Authority). ECOWEEK 2012 will address issues of affordable housing, urban communities and 'green' design, Architecture and Landscape Architecture. ECOWEEK 2012 speakers and workshop leaders include experts from Israel and from around the world. ECOWEEK 2012 workshops will take place in Jerusalem, Tel Aviv, Holon, Rishon LeZion, and Tiberias. NGO ECOWEEK mission is to raise environmental awareness and to promote sustainability. ECOWEEK conferences take place in Europe and the Middle East.
