

# ECOWEEK 2012

الولجة Al-Wallejeh

Recreation area

W8

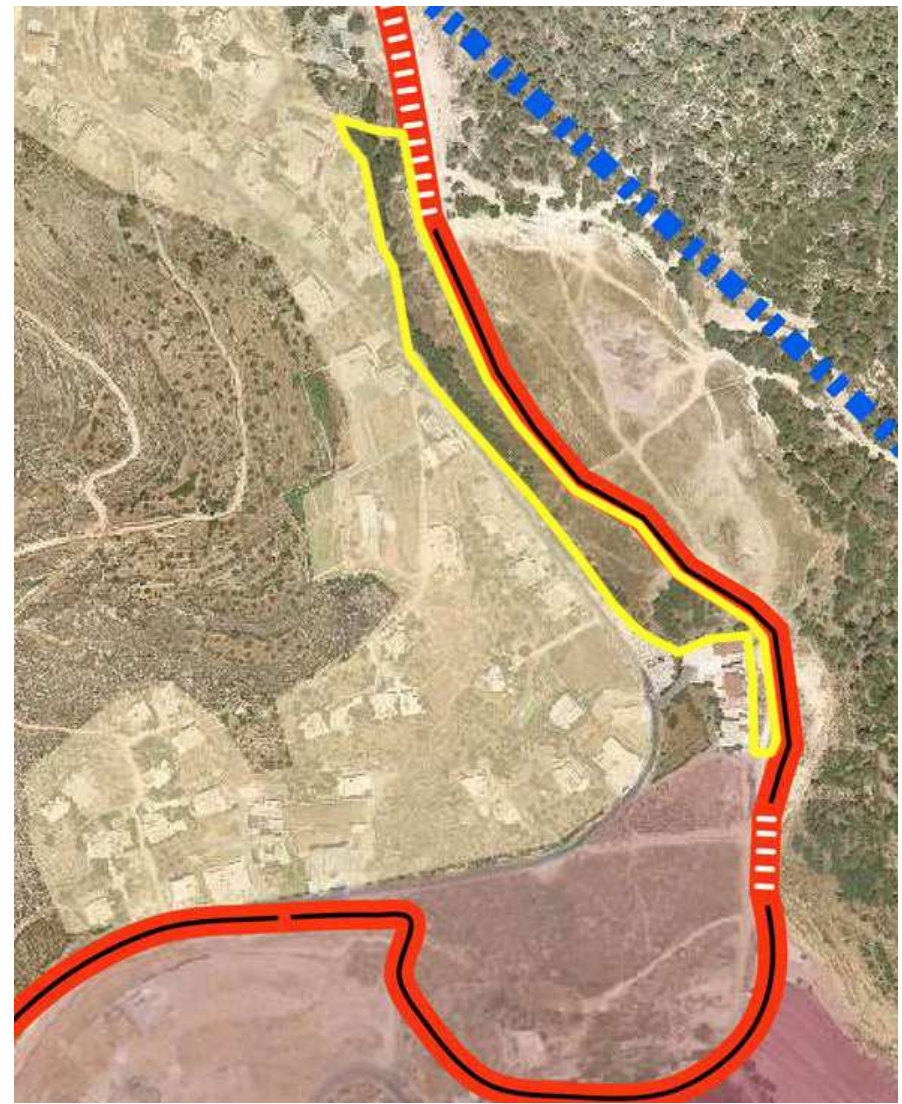

Al Walaje is an arab village, In the Palestinian Authority. During the construction of the separation wall the wall disconnected a 14 dunam piece of land from the Crimisan church, which allowed Al Walaje to use the land for a public purpose.

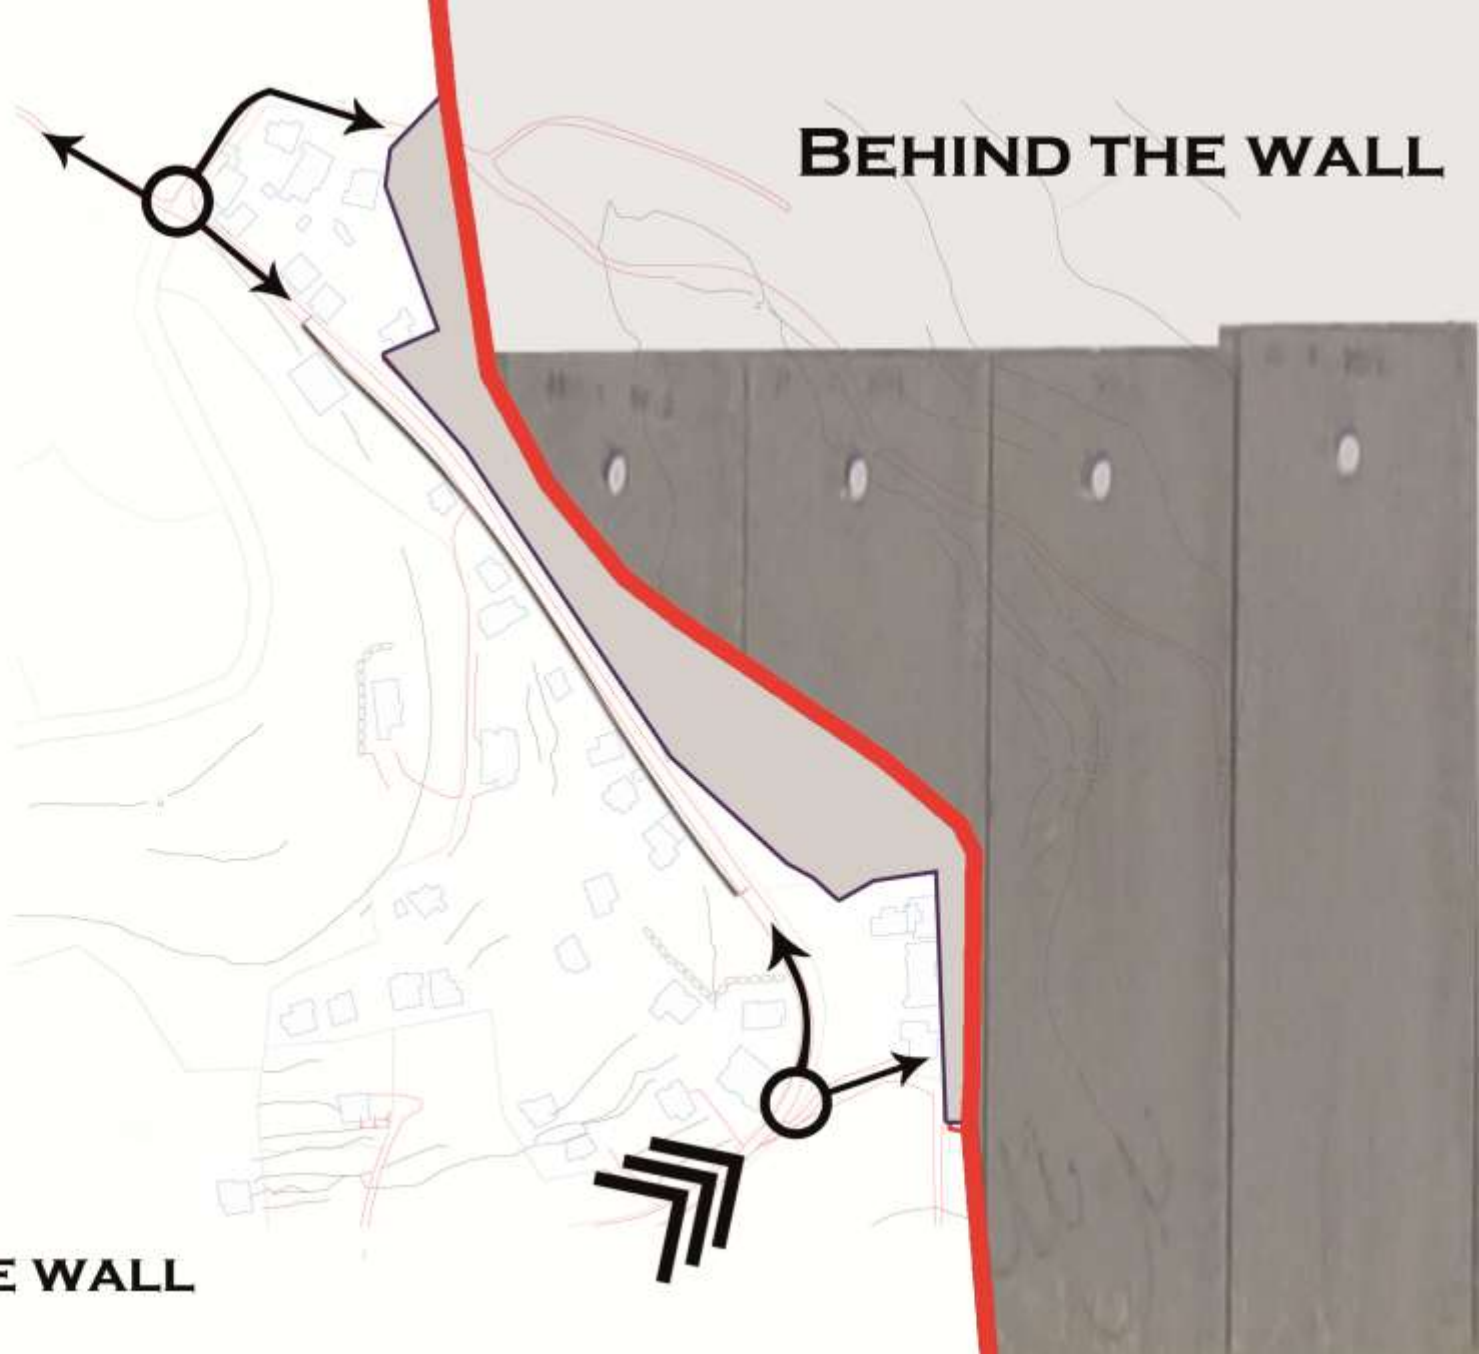

Our project during **ECOWEEK 2012** was to plan a recreational public area for the village on this land.

**BEHIND THE WALL**

**FRONT OF THE WALL**

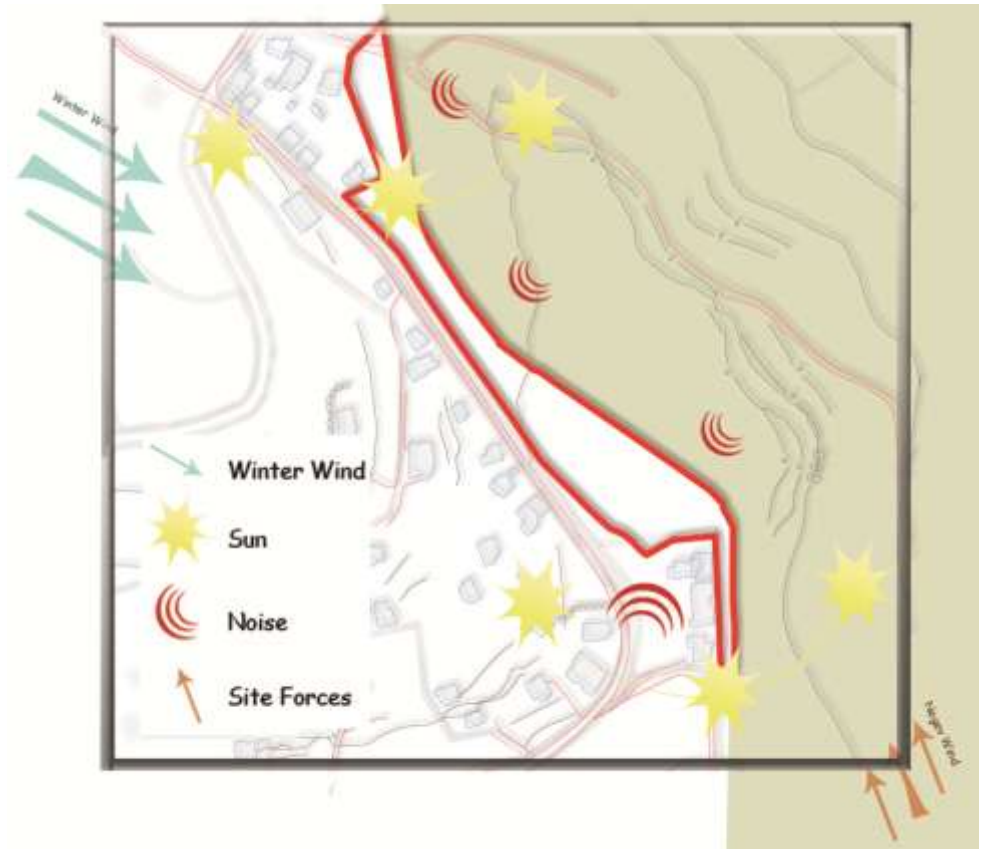

## User needs / requirements:

- Recreational area for public use
- Comfortable and safe for all ages
- Resting space
- Easy access

50% of population is under the age of 15.
