MOVEMENT SCHEME

ECOLOGICAL SCHEME

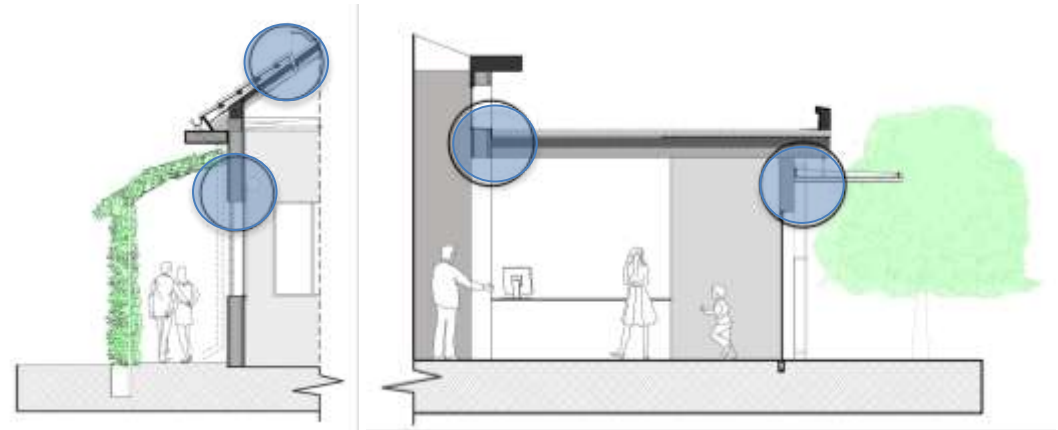

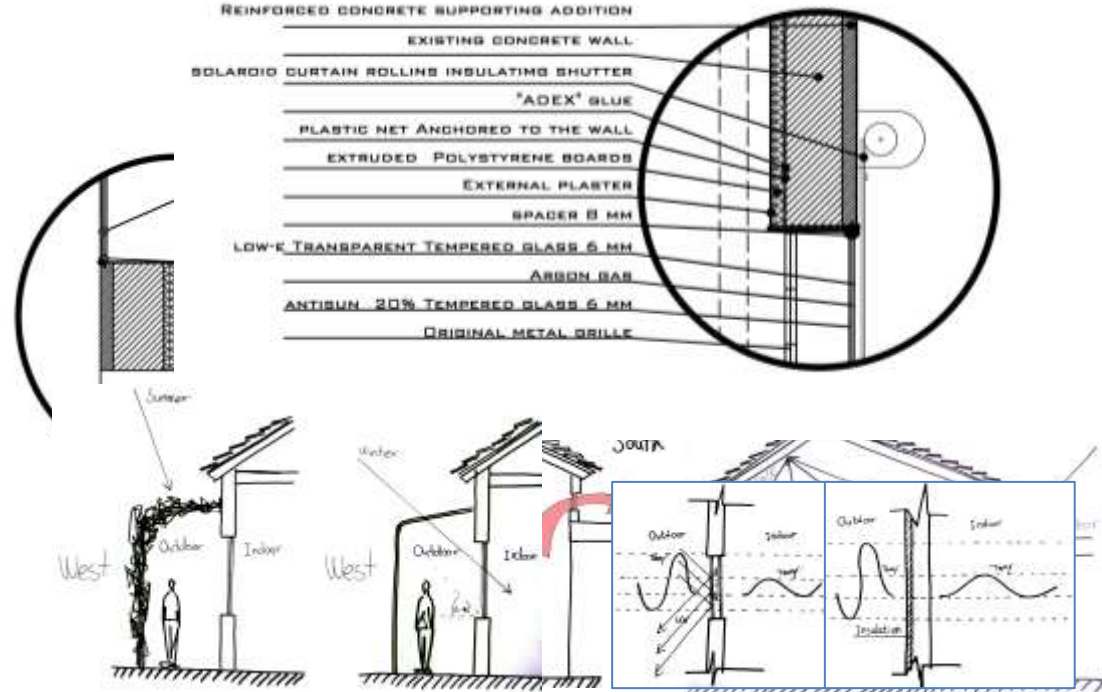

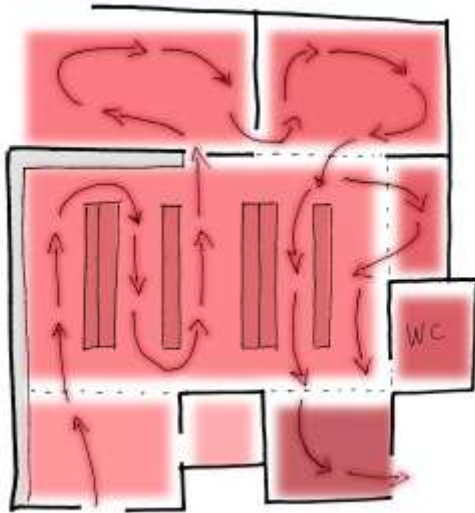

COMMUNITY CENTER
ECOPARK
THE MOSHE CENTER GARDEN

THE CLEMANTINE HOUSE IS LOCATED ON A HILL NEAR THE ENTRANCE, WAS ORIGINALLY USED AS A BAKERY AND LETTER ON AS A PACKING CLEMANTINA FRUIT FACTORY. NOWADAYS IT IS AN ABOUNDED BUILDING.

WE'VE DECIDED TO RECONSTRUCT THIS INTERESTING BUILDING INTO A DOCUMENTARY CENTER ENRICHED WITH ECOLOGICAL VALUES.

THE WALK THROUGH OF THE BUILDING WILL BE CONTINUOUSLY, AND THE ARCHIVED DOCUMENTS AND OBJECTS WILL BE PLACED AND PRESENTED ALONG, IN ORDER TO CONNECT THE HISTORICAL MONUMENTS WITH THE PRESENT EXPERIENCE.

CLEMANTINE THONET

MAMGORA - SILO FACTORY IS A CLASSIC INDUSTRIAL BUILDING THAT WAS USED TO STORE BULKED FOOD.

ART GALLERY FOR EXHIBITING THE LOCAL ARTIST'S WORKS OF ART, ALONG WITH A COFFEE SHOP FOR LOCALS AND VISITORS TO HAVE A NICE COFFEE BREAK.
