

Σε συνεργασία:

Δήμος Θεσσαλονίκης Αντιδημαρχία Περιβάλλοντος, Ποιότητας Ζωής και Ελευθέρων Χώρων

Suggested locations

- Suggested use of recycled materials and packaging (for example, bottles, construction waste, etc.) and the use of alternative materials (for example straw bale, adobe, wood from rail tracks, etc.).
- Suggested use of materials available in storage by the Municipality or available through suppliers of the Municipality (in coordination with the Municipality). For example, pieces of marble, stone, tiles, etc.).
- Miscellaneous notes that might be of help.

1^o Municipal Section
