**ECOWEEK**  
**2012** ... Action change ... Green change

One of the oldest neighbourhoods of romans. The first settlers were Etruscan their ancestors.

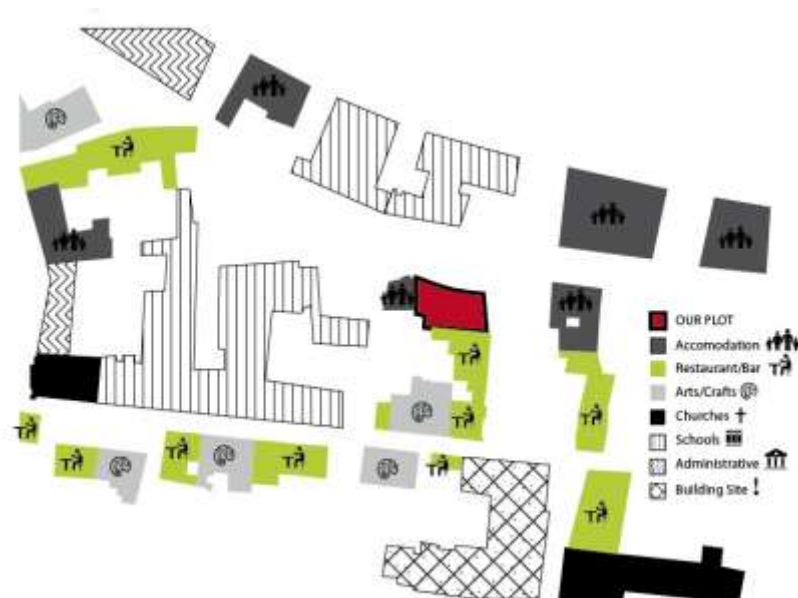

Fisherman settled initially there along with Sirian and Jewish emigrants, as well Romans were not portrait in the landscape continuing this way the formation of an interesting culture.

Captured by the Romans during the regal period (753- 509) BC in order to gain access on both sodes of the river Tiber, since it was a strategic action the locals flourished with their own cultural identity.

Many years.....

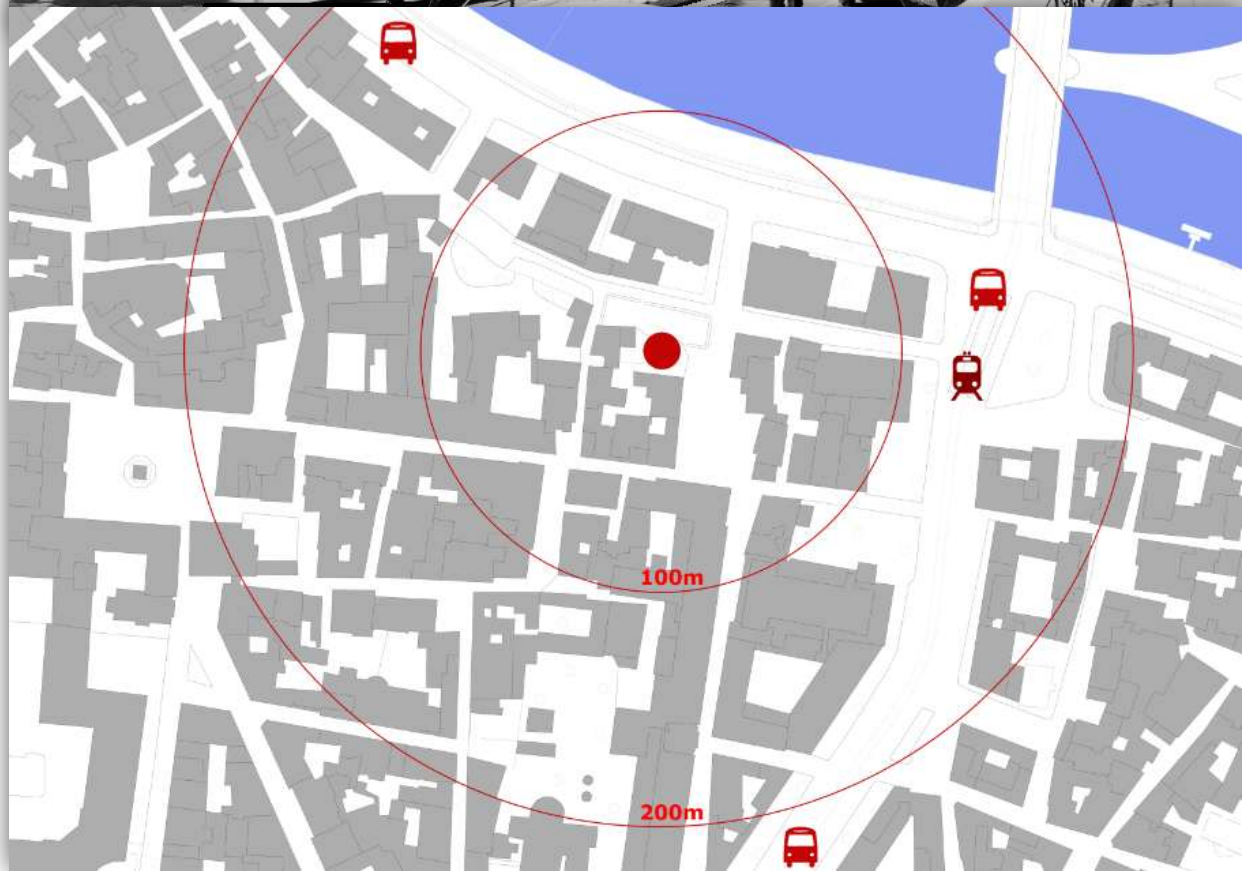

Trastevere is a neighborhood with narrow streets, diversity of nigh life and hidden archeological gems. The area is also home to several foreign academic institutions, fereign expats, artists and singers.
