

# M\*eco

## Super Friendly Ecological Meeting Point

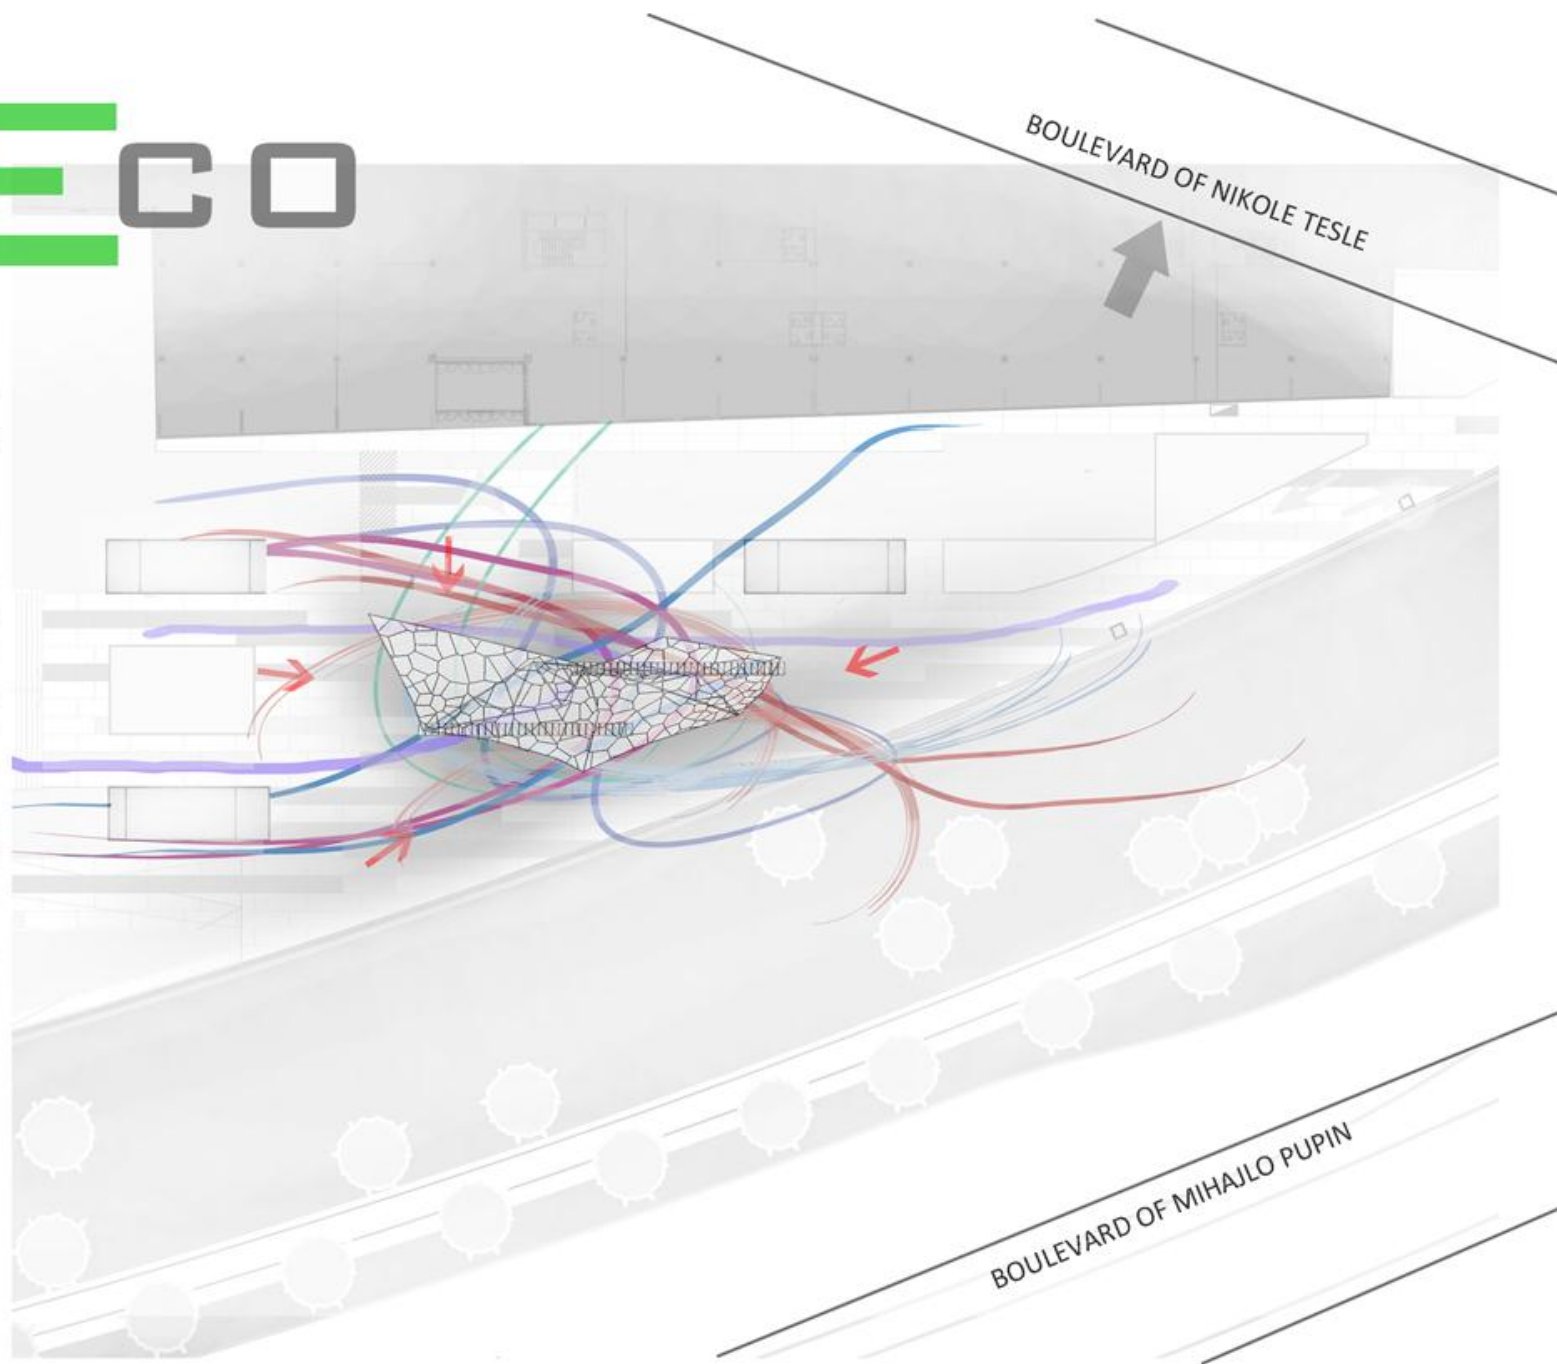

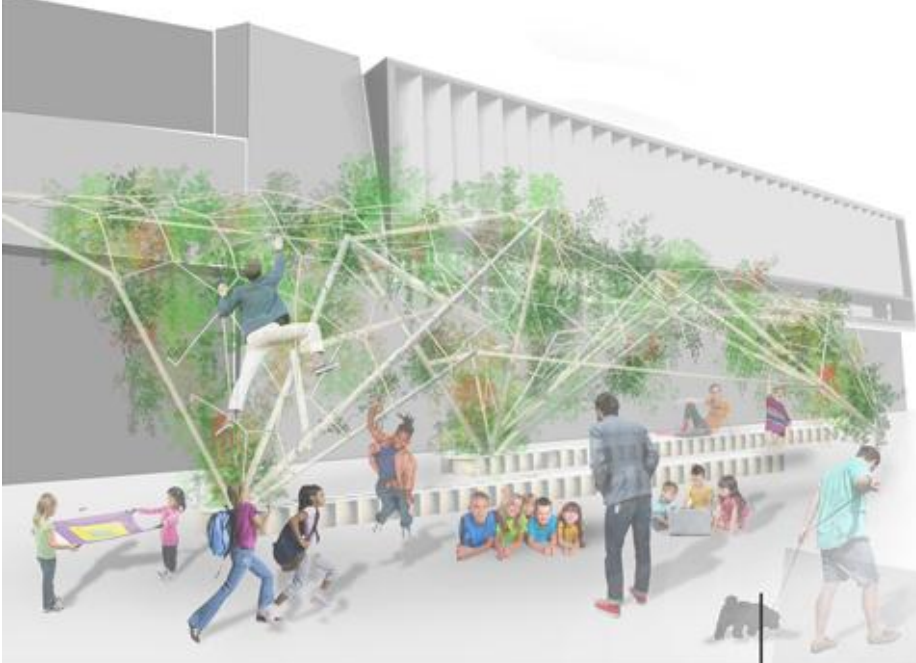

M-eco is super friendly ecological meeting point. It's a social place that is designed to be an attractor. M-eco is made to be iconic and to form *authentic* space. Its form gives new identity to its surroundings and makes it an **interactive** space. M-eco is self sustainable, **green** and energy efficient. M-eco is LEED. M-eco is **e c o !**

**ECOWEEK**  
**2012** ... habits change ... climate change

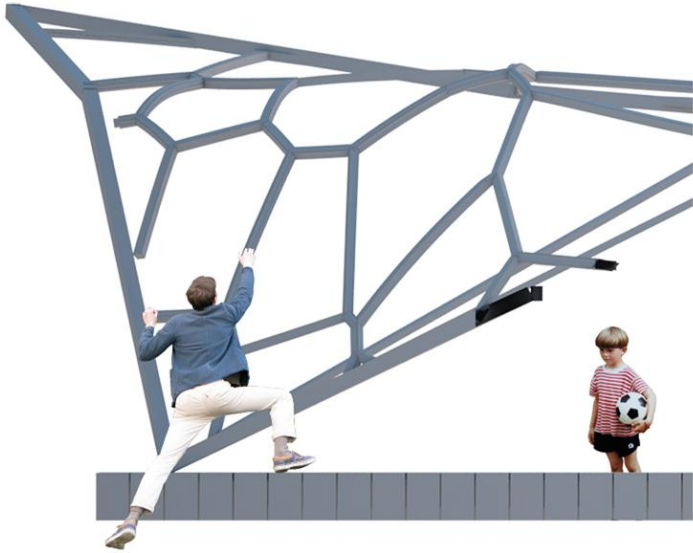

different activities  
**interactive**  
interconnected  
multy-functional

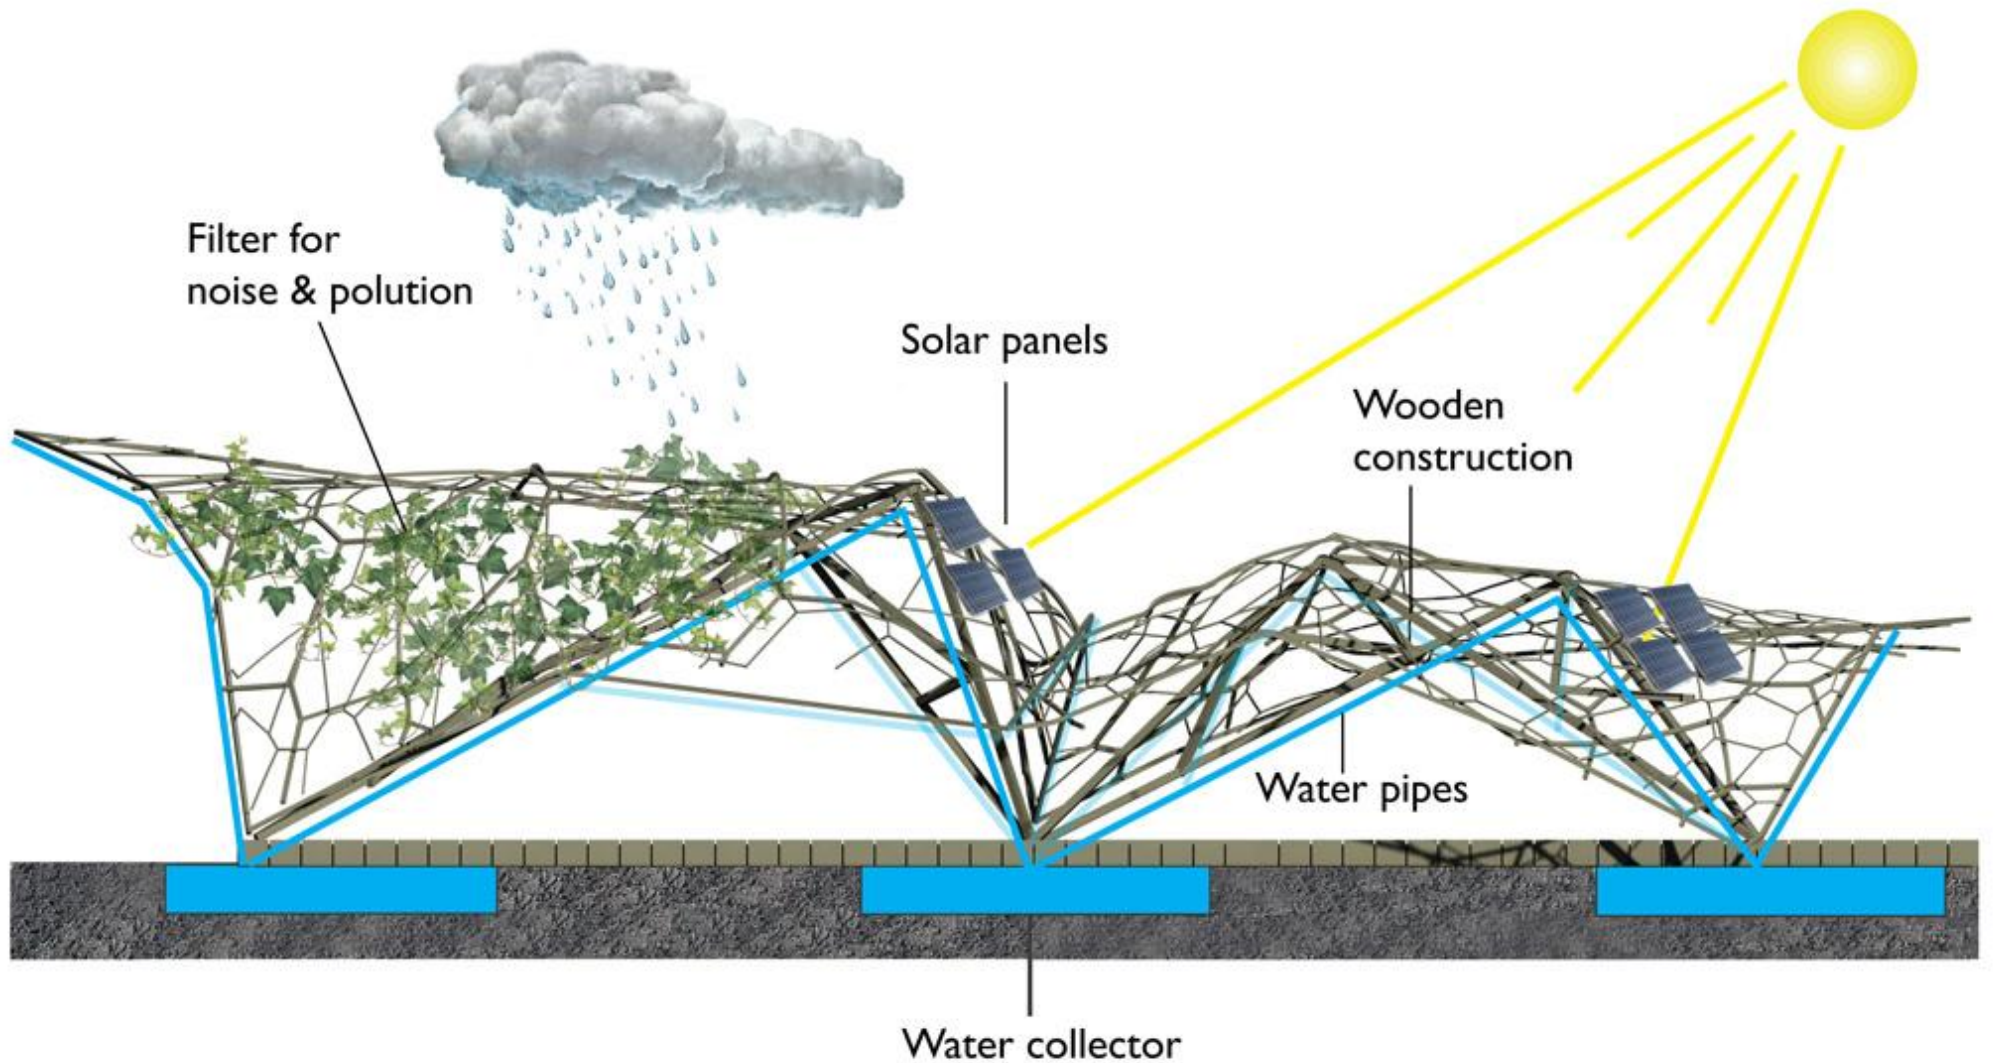

**ECOWEEK**  
**2012** ... habits change ... climate change

URBAN DESIGN OF THE SITE

- playing
- relaxation: sitting, standing in the shade, waiting for someone
